## **Policies**

I love teaching and we all have a blast, but over the course of time, policies become a part of every business. Please review these. Your signature/date on the registration form indicates your understanding and agreement of each policy

**PAYMENT POLICY:** Signed registration, ACA paperwork, and deposit are due to reserve a spot. Separate registration fees are due for each block you register. "Registration deposit fees" are non-refundable. "Club fee" is refundable up to 7 days before the first day of the club. Fees are not prorated based on days attended. The fee is for the entire Club Block. ***If payment is not received by dates listed below, the spot will be offered to someone on the waitlist.***

**CLUB SUPPLY POLICY:** All books, projects, supplies, patterns, etc. are property of The Sewing Studio of Auburn. These cannot be released to campers without instruction. Fee includes use of machines/supplies, patterns, manual, 5 regular instructional sessions, and ONE make-up session. It does not include the fabric and notions needed for each pattern.

**CLUB RELEASE POLICY:** As a parent/caregiver of the student, you release all liability personally and professionally in the case of injury during the times your child is in class. Sewing club is not an allergy free area.

**SOCIAL MEDIA POLICY:** I may post pictures from class from time to time on Facebook. When I do, names will not be used.
